Re: Docket Nos. 40-8035 and 40-8801

Radioactive Material Presently Located at
West Lake Landfill, Bridgeton, Missouri,
Previously Licensed to Cotter Corporation

Dear Mr. Grimsley:

Pursuant to the provisions of the Freedom of Information Act, request is hereby made to provide my office with a copy of the following documents relating to the above-referenced subject matter:

1. Letter of June 11, 1976, from James M. Allan, U.S. Nuclear Regulatory Commission to Cotter Corporation, Attn: Mr. David P. Marcott, with all enclosures.
2. Letter of June 10, 1977, to Mrs. Carolyn Ashford, Director, Missouri Department of Natural Resources, from James Keppler, U.S. Nuclear Regulatory Commission, cc: To Cotter Corporation, including enclosure of U.S. Nuclear Regulatory Commission Region III IE Investigation Report No. 76-01.
3. Document (meeting summary) dated November 25, 1988, Subject: Meeting in Jefferson City, Missouri, with Missouri State officials to discuss the status of the former Cotter site.
